

British portable power technology company

Overview

Since 2014, Portable Power Technology has provided reliable, eco-friendly power solutions for mobile and off-grid needs. We offer expert advice, transparent pricing, and full support, helping individuals and businesses power their journeys with confidence. Can't Find What You're Looking For?

Get in touch with us today, and we'll ensure we meet your precise power needs. Explore our reliable, purpose-built power. PPT was founded by engineer and entrepreneur Paul Mercer and business angel Barbara Merry. With a background and passion for delivering power systems to alleviate energy poverty, we believe in providing innovative solutions that supply power from renewable sources, wherever and whenever it's. Our 2025 guide to the Top 10 UK Portable Power Station Suppliers compares leading providers of battery, solar, and hybrid power solutions for construction and facilities management.
