

# Manila Emergency Energy Storage Power Supply

## Overview

MANILA – The Manila Electric Company (Meralco) on Wednesday said it has executed the emergency power supply agreement (EPSA) with South Premiere Power Corp. (SPPC) for a 300-megawatt (MW) baseload supply., Executive Lucas Bersamin (middle) leads the inauguration of the Energy Sector Emergency Operations Center and the Mobile Energy System at the Energy Center in Bonifacio Global City, Taguig City on Monday (April 15, 2024). (Meralco) franchise alone in Luzon experienced rotating power interruptions on Wednesday after the National Grid Corporation of the Philippines (NGCP) placed the Luzon Grid under Red Alert status due to major power plant outages. Ryan Washburn, United States Agency for International Development mission director for the Philippines and Mongolia (left), Executive Secretary Lucas Bersamin (center) and Energy Secretary Raphael Lotilla discuss the emergency response capabilities of the newly-inaugurated Energy Sector Emergency. The USAID turned over eight (8) solar-powered MES units to the DOE – and two of the solar units are stationed at the DOE; one of which will be used as back-up power source for ESEOC.
